FIRE and EXPLOSION

Non flammable. If product is present in a fire, toxic gases may be evolved. Evacuate area and contact emergency services. Remain upwind. Wear full protective equipment when combating fire.

SPILLAGE

If spill, absorb with sand or similar and dispose of to an approved landfill site. Wear splash-proof goggles.

SAFE HANDLING

Store in cool, dry, well ventilated area. Ensure containers are adequately labelled, protected from physical damage and sealed when not in use.

PERSONAL PROTECTIVE EQUIPMENT

Wear splash-proof goggles or safety glasses. With prolonged use, wear PVC or rubber gloves.

REACTIVITY

Stable under normal conditions. May evolve toxic gases when heated to decomposition.
